Coach Callahan has been working over time with the boys this week and will have them in great shape for the game Saturday. Yesterday there were enough scrubs out to keep the first team busy, and there probably will be for the rest of the week.

Not So Bright at 'Varsity.

While everything looks so bright for the west siders in Saturday's game, the same cannot be said of the U boys on the east bench. It seems that Maddock is up against nething but hard luck this season. Louisville, Ky., Oct. 31 .- "Pop," otherwise Adrian C. Anson, would like very much to get into the game of baseball, not as first-sacker, or anything of that live team, say for example the Chicago 135. right tackle and Dunn, 140, right end for Sait Lake.

Pueblo's back field weights, Price, 127. quarter; Kinnison, left half, 132; Lannon, 140, right half, and O'Brieu, 165, full back. Sait Lake's weights are Rouse, 115, quarter; G. Hyde, 140, left half; Richardson, 165, right half, and Judson, 140, full back. Judging from the standpoint of weights the teams ought to be pretty evenly matched.

The High school is showing more enthusiasm over the coming game than they have at any game for some time. It will be the first time the local school has brought an outside team to Sait Lake for a number of years, but it is believed sufficient interest can be worked up to warrant the expense of bringing a team to the city every season. not make a very great effort in that Burt see me somewhere else than I am now, a mere stockholder. to accept the managerial position for next year.

Mr. Hanlon acknowledged that he had a very flattering offer from Mr. Frank De Haas Robison to manage the St. Louis National league squad. Mr. Hanlon's answer to him was that he had an offer from the Brooklyn club, and that until he came to some agreement with the Superbas' owners he was not ready to talk business. Mr. Hanlon stated that he had an engagement for next Wednesday with President Ebbitts of the Brooklyn club, and that it would then be decided whether or not he would be at the head of the Brooklyn aggregation next season.

The former manager of the thrice pennant-winning Orioles is not much worried over the matter, and that he will have a big-league berth next season is a foregone conclusion.
